Re: Blain St./Highway 61 Connection

**Issue:**

Greg Hilbert is working on a new connection to the Industrial site that Buchheits is moving into along Market St. This will be a new connection close to the highway to divert truck traffic from using Market St. and 10<sup>th</sup> St.

Mr. Hilbert will be at the meeting to discuss and ask that the city help with the new street.

**Recommendation:**

Discuss his request and determine the city's participation.
