Re: Closing Park Restrooms

Issue:

The park board discussed the damage that was done recently to the Valle Springs restroom facilities and the vandalism done to park equipment.

They have directed Steve Wilson to look into purchasing video cameras and recording equipment for the facility and also requested locking the restroom doors at dusk.

Alliance is willing to open the doors on weekdays. Locking the doors would require assistance from the police department and there are no parks personnel working the weekends to open the facilities. It was also discussed doing the same thing for the Main Street restrooms.

There needs to be some discussion with the police chief due to calls taking them away from locking the facilities and that the cameras may be all that's needed.

Recommendation:

Discuss and make a recommendation for policy or code adoption.
