## A G E N D A

- I. Call to Order and Roll Call: [Debi Caraway, Lorin Mott \(by phone\)](#)
- II. Update and Review of the ISBE Construction Develop Grant Application.  
[Baysinger representatives, Jake McCann and Michael Baysinger went through the planning process that took place in 2019-2020 and what the timeline looks like from applying for a construction development grant to finalizing plans, bids and getting the project started. The bulk of this project would give the district a chance or replace the 1925 facility and Juergens' gym at the high school. Pasero also discussed the financing end of this type of a project.](#)
- III. Updates on other District Building Needs for Consideration.  
[The committee also discussed what it would take to address the subsidence issue at the grade school. Baysinger described it as an intensive project that could cost upwards of \\$200,000 and may be something that would need addressed as early as next spring. Building security was brought up in terms of the entry points at each school and the possible use of a school resource officer.](#)
- IV. Adjourn : 11:50 pm
