Staff Report

August 18, 2022

To: Board of Aldermen
From: Happy Welch
Re: Street Paving

Issue:

With the water line project about to finish on N. 4th St., Corey Litterst with Alliance had Dean Bauman come out and look over N. 4th St. for the main overlay project coming this summer. We looked at slopes and inlet areas and other issues including ponding that occurs between Washington St. and LeCompte St.

If we want to overlay and improve the street so we don't have the current ponding issues then some major work has to be done on the east side with the sidewalk and the west side with the asphalt and a couple of retaining walls. The estimated total is \$36,659.00.

Recommendation:

Approve 4th St. Concrete Work agreement with Bauman Contracting.
