GOVERNOR STATE OF MISSOURI

Dear Missouri 100 Scholars:

Greetings from the Governor's Office!

On behalf of all Missourians, I congratulate you on your recognition as one of Missouri's top 100 students. For 30 years, the Missouri Association of Secondary School Principals has sponsored the Missouri Scholars 100 Program to honor the best and brightest across our great state. You have earned the right to be proud of your achievements in the classroom and throughout your communities.

Having met the standards of the Missouri Scholars 100 Program's Academic Decathlon, you have displayed your strengths in service and sportsmanship outside of the classroom, as well as in attendance, school involvement, and citizenship. True leadership demands more than book knowledge. As a Missouri 100 Scholar, you have learned the skills it takes to succeed in any area of life. My advice to you is the same I give my grandchildren: anything is possible if you work hard and have faith.

Again, congratulations on this incredible academic honor. I know the skills you have developed throughout high school will serve you well, and I look forward to seeing what you each accomplish in the years ahead.

Sincerely,

Michael L. Parson Governor
