A Summary of the Board of Education Meeting: June 12, 2024

The board reviewed the recommended MSBA Policy updates to Policy: KK (Visitor to district property and events) & Policy JHCD (Administration of medications to students). The updates addressed prohibiting ... the possession, use, distribution, or being under the influence of marijuana on district property or at district activities.

Board member representatives to assist with survey team developments:

Dr. Jones informed the board that the district plans to conduct a focus group session with board member representatives late summer to create a streamlined Climate & Culture Survey, based on the new CSIP. Melissa Carroll and Glendon Sattler volunteered to represent the board on this focus group.

Assessment Update: Jane Narrow, Chief Academic Officer presented spring assessment updates on MAP/EOC testing processes. All buildings reported a smooth and positive implementation of the testing. Primary School's NWEA results were also shared.

Career Center Renovation Presentation: Dan Hecht, Career Center Director, presented the PACTC renovation project. This project is made possible through the Missouri's Area Career Center Opportunity (MACCO) grant, funded by the American Rescue Plan Act (ARPA). The focus areas for the renovations are: 1) Digital Media relocation and renovation 2) Auto Collision paint booth modernization.

Middle School Alternative expansion: The PALS (Perryville Alternative Learning Site) is looking to expand the program offering to PCMS Students. This expansion would provide an opportunity to return to campus, under direct supervision, to continue their academic studies.

Program Evaluations: Stacey Seabaugh, Director of SPED / Title IX Coordinator presented three program evaluations. 1) Gifted Education 2) Homeless 3) ELL/Migrant/Immigrant

The spotlight was a video that showcased the retirees from the 2023-2024 school year.
