Improvements and Accomplishments

CURRICULUM:

- NWEA reports were analyzed in Grades K-5 to determine strengths, opportunities for improvement, and significant gaps. This information was used to individualize instruction for students.
- Student Learning Objectives were written to assess student growth throughout the school year. When applicable the NWEA test was administered as part of the SLO (beginning, middle, and end of year).
- Continued Preschool Program with great success. Mrs. Rose Kreidler, lead teacher, with Ms. Miranda Hines as classroom teacher aide.
- Title I Supplemental ELA Teacher, Mrs. Megan Kueker and Ms. Stacy Trollinger provided Tier 3 RTI instruction for students K-5, and collaborated with Ms. Lynette Pfaff, Supplemental ELA Teacher at BLE to facilitate grade level consistencies with interventions and RtI processes.
- Implemented Really Great Reading Phonics program at Grades K-3. The data was analyzed to determine student deficit areas. Teachers were able to provide individualized instruction to students based on their needs.
- Mrs. Jennifer Sutton, Title I Math Instructional Coach, assisted teachers with data analysis - particularly NWEA data, use of best practices, and quality lesson/assessment development.
- Flex grouping was implemented at Grade 3-5 in math and ELA to differentiate instruction for all students.
- Continued the implementation of the building-wide use of ClassTag as a classroom communication tool. The consistent platform allowed teachers to communicate with families and students easily and effectively. .
- Teachers in Grades K-2 used SeeSaw as the primary online platform for students to work virtually in the event of school closure or on AMI days.
- Teachers in Grades 3-5 used Google Classroom as the primary online platform for students to work virtually in the event of school closure or AMI days
- Weekly 50 minute collaborative team meetings were utilized by teachers at all grade levels to support collaborative team work on curriculum, instruction and assessment. Weekly minutes were kept and posted.
- Special Education Co-teaching implemented at the 5th grade level.
- RtI (Response to Intervention) continued to be implemented at the kindergarten through fifth grade levels. The data was reviewed every four to six weeks and students were placed in appropriate intervention, on-level instruction, or enrichment groups. Grade level teachers, Special Education teachers, Mrs. Kueker, Ms. Trollinger, Mrs. Bohnert, and Mrs. Sieker provided Tier I, II, and III instruction.
- K-3 teachers completed Year 2 LETRS training.
- Teachers in Grades 4, 5, and new hires began Year 1 of LETRS training.

- CARE Teams are held every four to six weeks for all grade levels.
- Dragons' Den was provided as an after school program (\$150/quarterly cost to first student per family, \$100 for each second student in a family, and \$80 for student in a family thereafter)
- The kindergarten team administered the approved kindergarten entry assessment. We will be using the Kindergarten Observation Form (KOF).

TUTORING SERVICES:

- A+ tutoring was incorporated into the Dragon's Den program during the entire year.
- Cadet teachers provided support in grades Preschool through Grade 5 classrooms.

DRILLS:

- Aug. 28 Fire/Evacuation Drill, 9:50 a.m.
- Sept. 11 Severe Weather/Tornado Drill, 1:30 p.m.

Goals and Priorities for 2023-2024

- Utilize beginning of year assessment data such as DRA and NWEA to determine individual students' strengths and areas for growth
- Continue flex grouping for students in Grades 3-5 in ELA and math
- Provide differentiated and individualized instruction (when applicable) to address students' deficit areas
- Utilize Supplemental ELA Teacher and Reading Teacher to provide Tier III support for struggling readers at K-5.
- Begin Professional Development on Competency Based Learning
- Utilize Title I Instructional Coaches to provide additional assistance to teachers and underperforming students in ELA and math
- Utilize the Title I Instructional Coaches to assist in data analysis, formation of quality assessments, coaching and modeling best practices, and alignment of the Missouri Learning Standards and the district curriculum
- Provide more special education pull-out services to help students build foundational skills necessary for ELA and math success
- Continue the implementation of the RtI model in reading at K-3.
- RtI will consist of targeted interventions tied closely to Really Great Reading and the science of reading strategies.
- Continue the implementation of RtI at Grades 4-5
- Restructure Title I aide assignments to provide targeted support at K-1, 2-3, and 4-5.
- Continue to participate in LETRS training at 4-5 and new hires and incorporate the strategies into daily instruction.
- Strengthen home/school communication with families
- Increase use of social media and Thrillshare to positively promote Ste. Genevieve Elementary - students, teachers, events, etc.
- Incorporate technology into daily teaching at all grade levels and special area classes in order to better prepare students and families for AMI snow days (i.e. Google Classroom, SeeSaw, Flipgrid, etc.)
- Streamline communication between teachers and school families by using consistent building-wide technology platforms
- Continue to implement RtI/CARE Team data meeting format which allows meetings to occur on set cycles
- Continue to implement Dragon POWER character ed program.
- Continue student data tracking of academic and personal goals in order to help students self-assess their growth
- Increase administrator visibility in classrooms to develop relationships with teachers and staff, as well as provide support and resources as needed
- Plan, schedule, and maintain a high rate of teacher observations and quality feedback through the NEE process

- Begin in-house professional development and training on standards-based grading (best practices, quality formative and summative assessments, analyzing data, creating rubrics, and reporting data based on power standards)
- Meet AYP goals in all subject areas and within all subgroups at all tested grade levels
- Continue collaboration between Early Childhood, Preschool, Parents as Teachers, and Kindergarten - facilitated by Early Childhood Coordinator
- Continue the partnership with Community Counseling for the Day Treatment program, which consists of a Behavior Intervention Classroom and a Therapy Room, to assist students with self-regulation needs
- Promote teacher and family involvement through PTO and Title I activities and meetings
- Continue the Breakfast in the Classroom model for Grades 1-4 classrooms
- Implement at Tier II and Tier III Classroom in lieu of Youth Day Treatment.
