Ste. Genevieve High School Goals and Actions Steps 2023-2024

Mission Statement:

Working together to create success at Ste. Genevieve R-II and beyond.

Motto:

DRAGONS: Family • Tradition • Excellence
--

Goal 1: ACADEMIC SUCCESS

- Description: Empower all members of our Dragon Family to continuously progress toward tailored learning goals.
- Objective: Data Collection and Analysis
- Strategy – Use of Data: All K-12 faculty will use data to guide instruction, learning, and assessment.
 1. Action Step: Use development training, resources, NWEA/GLA/EOC released items, and interim assessments to create NWEA/GLA/EOC-like common formative assessments to better prepare students for state assessments.
 2. Action Step: Use Student Learning Objectives (SLO) to create SMART goals that focus on student growth.
 3. Action Step: Use data from NWEA to help guide instruction, student learning, and assessment.
 4. Action Step: Use academic and attendance data to identify at-risk students entering SGHS as ninth grade students or those transferring into the district after completing ninth grade.
- Strategy – Data Collection/Analysis: The district will utilize assessment software and technology tools for data collection and analysis to assist with student performance monitoring and district needs.
 1. Action Step: Select and implement assessment tools capable of test generation and progress monitoring.
 2. Action Step: Maintain an online textbook database, appropriate subscription based resources, and student portal for student access.
 3. Action Step: Provide a system of online course delivery for high school courses featuring teacher-led instruction available online at any time using specialized software.
- Strategy – 2020 Attendance Target: The district will use a variety of methods to keep parents and students informed of attendance status. The district will work to ensure that student attendance rates meet or exceed the state standard. The attendance targets for the state use

individual student's attendance rates and set the expectation that 90% of the students are in attendance 90% of the time.

1. Action Step: Continue to review and revise the district's attendance policy as needed to ensure compliance with the Annual Performance Report at the 2020 target level.
 2. Action Step: Advise students and parents of district attendance policies upon enrollment.
 3. Action Step: Provide parents access to a student information system, when appropriate, in order to allow parents to view student attendance.
 4. Action Step: Monitor attendance on a daily basis and attempt to contact parents of absent students.
 5. Action Step: Conduct attendance conferences with students and parents.
 6. Action Step: Notify parents in writing when students are in danger of violating attendance policy.
 7. Action Step: Contact the Missouri Department of Social Services (Children's Services and/or Juvenile Officer) and local law enforcement in cases where lack of attendance may result in educational neglect.
 8. Action Step: Maintain alternative programs for students in grades 9-12 unable to attend or function in a regular school setting.
 9. Action Step: Facilitate home visits for cases involving lack of attendance.
- Objective: Curriculum Resources and Alignment
 - Strategy - High Expectations: High expectations for teaching, learning of basic skills (especially in mathematics and reading), and the issuance of grades on a regular basis are conveyed to faculty, staff, and students.
 1. Action Step: Principals – Use weekly bulletins and/or monthly faculty meetings to clearly communicate high performance expectations.
 2. Action Step: Principals – Communicate daily announcements using a variety of methods (email, announcements, PowerSchool, etc.).
 3. Action Step: Faculty – Maintain and update student grades weekly in the district student information system.
 - Strategy – Collaborative Lessons: Provide collaborative lessons that teach students to use critical thinking skills and ethical research methods.
 1. Action Step: Continue to support and implement the eMINTS philosophy in classrooms.
 2. Action Step: Continue to support and encourage cultural education and exposure through a variety of collaboration efforts including global collaborations, virtual experiences, etc.
 3. Action Step: Library Media Specialists, Counselors, School Resource Officer, and School Social Worker – Conduct library orientation and lessons covering internet, app, and social media safety, and digital citizenship etiquette.

- Strategy – Curriculum: The faculty and guidance counselors will, on a rotating basis, be given time to review, revise, and update curriculum. Appropriate instructional equipment, materials, and supplies will be provided annually to implement newly revised curricula.
 1. Action Step: Faculty – Use the budgetary process to order materials/supplies needed for the implementation of curriculum in the classroom.
- Strategy – Lesson Plans: All faculty will complete lesson plans that are cross-referenced to local curriculum maps and the Missouri Learning Standards to implement the written, board approved curriculum.
 1. Action Step: SGHS Faculty – Complete/maintain online resources/plans that are cross-referenced to local curriculum maps and the Missouri Learning Standards.
 2. Action Step: Principals – Review lesson plans when appropriate and work with faculty who show poor planning.
- Strategy – Professional Development/Life-Long Learning: The district recognizes the relationship between professional growth and student achievement. The district, therefore, commits to encourage and assist the faculty in their pursuit of life-long learning, advanced degrees/certifications, and professional development opportunities that address differentiated instruction, instructional strategies, EOC grade/course level expectations, at-risk student needs, and improved reading and writing skills to bring about improved assessment results.
 1. Action Step: Continue to explore and support partnership opportunities with universities to allow courses to be taken on the Ste. Genevieve R-II campus to assist building/classroom leaders in the pursuit of advanced degrees and pedagogy enhancement.
 2. Action Step: Continue to support and encourage faculty to identify and attend educational related professional development opportunities.
- Strategy – At-Risk Students: Evaluate at-risk programs and report to the school board annually. Review, revise and expand, as needed, all at-risk programs currently in place.
 1. Action Step: Obtain input from faculty and staff through grade-level teams regarding identification and placement of at-risk students.
 2. Action Step: Continue to utilize and expand computer programs for all at-risk programs.
 3. Action Step: SGHS – Continue to implement and monitor the effectiveness of the Dragon FIRE program that provides two weekly 35-minute periods of tutoring and mentoring for students.
 4. Action Step: School Social Worker – Work with parents, SG R-II SRO, staff and community resources to build connections and help students solve and cope with problems in their lives.
 5. Action Step: School Social Worker – Work with parents, teachers, SRO, and school administrators to develop plans and strategies to improve students' academic performance, attendance, and social development.
 6. Action Step: Continue to partner with Community Counseling to provide on site School

Based Counseling for identified students.

- Objective: Technology Integration
- Strategy – Use of Technology: Faculty and administration will use up-to-date technology tools and resources to develop inquiry-based curricula and instruction to support curriculum objectives. Tools and resources are readily available for faculty and student use. Training in the use of the tools and resources (such as eMINTS or equivalent) is provided and continually supported.
 1. Action Step: Continue to provide building principals with professional development opportunities on technology tools, teacher evaluation tools, and/or book studies on leadership, best instructional practices, and data collection.
 2. Action Step: Principals – Model effective use of technology by integrating technology into meetings and presentations (as appropriate) and by creating/maintaining online resources to disseminate information.
 3. Action Step: New Faculty – Attend adequate technology training prior to the start of the school year and throughout the school year.
 4. Action Step: Provide grade level and content area specific training on technology integration after school, during scheduled professional development days, summer and other available times.
 5. Action Step: Continue and expand eMINTS, similar skills and technologies into all grade levels.
 6. Action Step: Provide teacher training during planning period as needed/requested.
 7. Action Step: Faculty – Maintain teacher online presence through relevant media or platforms.
 8. Action Step: Principals/Library Coordinator/Librarians – Ensure online resources are available to students and parents and that information is current and up-to-date.
 9. Action Step: District Office Administration/Principals - Support opportunities for faculty to continue education related to technological tools and programs.
 10. Action Step: Director of Communications/Principals/Athletic Director/Teachers – Continually update and post athletic, academic, special events, and reminders as needed through social media and district outlets.
 11. Action Step: Director of Communications/Principals/Faculty – Share daily happenings, accomplishments, and celebrations using appropriate technological tools and media (webpage, social media, etc.).
- Strategy – Curriculum Integration: Technology will be fully integrated into the curriculum and instruction for all students as measured through the evaluation process. The district will utilize the curriculum revision process to ensure technology skills are integrated into all areas of curriculum to enhance learning by providing increased opportunities for research,

problem-solving, exploration and communication.

1. Action Step: Instruction on ethical behaviors and critical analysis of information obtained from technology.

2. Action Step: Design instruction to teach students how to ask the creative, innovative, and even impossible questions using primary source materials.

- Strategy – ISTE for Students: The district curriculum will utilize technology in developing students' 21st century skills (information, communication technology, and media literacy) by referencing the International Society for Technology in Education (ISTE) for students.

1. Action Step: Integrate portfolio development in the high school to showcase student work and to provide evidence of their knowledge of 21st century skills.

2. Action Step: Maintain K-12 makerspace centers at the Library Media Centers to promote student innovation.

- Strategy – Technology to Facilitate Learning: The district will use technology tools and resources to facilitate learning for all students.

1. Action Step: Implement the eMINTS philosophy in all classrooms.

2. Action Step: Maintain a student/parent portal for access to current grades and attendance.

3. Action Step: Provide and maintain an internet accessible device for every student in grades K-12.

4. Action Step: Create or integrate coding, robotics, drone, and e-sport curriculum, and emerging technologies to promote student innovation and creativity.

- Strategy – Library Media Center Technology: The district will use up-to-date, appropriate technology tools and resources in all building Library Media Centers.

1. Action Step: Maintain Library Media Center web presence that are current and provide links to credible information.

2. Action Step: Maintain reputable, cost-efficient print materials which have been purchased to support and enhance the curricula.

3. Action Step: Maintain authoritative, credible on-line databases to support curricular needs.

4. Action Step: Maintain access to eBooks to improve learning.

5. Action Step: R. W. Thomas Library – Continue to support the downstairs section of the library as a media center with 3D and interactive technology, robotics, multimedia room, video creation and edition opportunities, and other strategies that promote student innovation and creativity.

- Strategy – Safe Tools/Resources: The district will maintain appropriate and safe technology tools and resources that promote personal, academic, and career needs.

1. Action Step: Provide students and faculty with information for internet safety through a variety of means.

2. Action Step: Provide resources for parents related to internet and social media safety using a variety of methods.

Goal 2: COLLABORATIVE CLIMATE AND CULTURE

- Description: Empower all members of our Dragon Family to continuously progress toward tailored learning goals.
- Objective: Student Voice and Choice
- Objective: Mental Health Resources and Supports
- Objective: Family Involvement
- Strategy – Parent/Family Involvement: Policy IGBC – Parent/Family Involvement in Instructional and Other Programs. The Board of Education recognizes the importance of eliminating barriers that impede parent/family involvement, thereby facilitating an environment that encourages collaboration with parents, families and other members of the community. Therefore, the district will develop and implement a plan to facilitate parent/family involvement that shall include the following six goals: (1) promote regular, two-way, meaningful communication between home and school; (2) Promote and support responsible parenting; (3) recognize the fact that parents/families play an integral role in assisting their children to learn; (4) promote a safe and open atmosphere for parents/families to visit the schools their children attend, and actively solicit parent/family support and assistance for school programs; (5) include parents as full partners in decisions affecting their children and families; and (6) use available community resources to strengthen and promote school programs, family practices and the achievement of students.
 1. Action Step: SGHS – Review and implement strategies for Parent/Family Involvement Plans.
 2. Action Step: Promote the SG R-II Volunteer Program.
- Strategy – Open House: Annual open house and informational meetings will be held to inform and educate parents about curriculum and available services.
 1. Action Step: Conduct an open house at each building during the month of August.
 2. Action Step: Faculty – Give parents opportunities to view technology tools used within the classroom.
- Strategy – Parent-Teacher Conferences: Annual parent-teacher conferences will be offered to provide opportunities for personal communication between parents, faculty and students.
 1. Action Step: Communicate information regarding parent-teacher conferences with parents through (but not be limited to) district calendar, district website, letters, school wide calls, text messages, apps, and other forms of social media.
 2. Action Step: Communicate parent-teacher conference expectations with faculty and develop student led conferences for upper elementary classes.
- Strategy – Communication: The district will continue to support the use of technology tools and

resources to improve communication and provide opportunities for input/feedback from the community.

1. Action Step: Inform parents at meetings and by newsletter, e-mail, and/or handbook of the resources available on the district web page.
 2. Action Step: Promote the use of email, parent notification systems, parent access to the student information system, social media, and district's website to communicate school information to parents and community.
 3. Action Step: Develop and update teacher websites/online classroom services, or other technology tools, to enhance teacher/parent and teacher/student contact.
- Objective: Community Connections

Goal 3: LEADERSHIP AND DEVELOPMENT

- Description: Equip all members of our Dragon Family with resources to develop and sustain meaningful life skills.
- Objective: Varied Pathways for Post-Graduation Opportunities
- Strategy – College and Career Readiness: Ste. Genevieve High School will provide adequate post-secondary preparation for all students.
 1. Action Step: ACT: Maintain the availability of ACT testing to students in grades 11 and 12.
 2. Action Step: ACT WorkKeys National Career Readiness Certificate (ACT WorkKeys NCRC): Increase the availability of ACT WorkKeys NCRC to students in grades 11 and 12.
 3. Action Step: ASVAB: Continue to administer the ASVAB to students in grade 11.
 4. Action Step: ACCUPLACER: Provide opportunities for students in grades 11 and 12 to participate in ACCUPLACER testing.
 5. Action Step: TSA: Investigate/administer TSA tests that correlate to an Industry Recognized Credential (IRC).
 6. Action Step: College Credit: Continue to support and investigate new opportunities for college/dual credit offerings within the school day.
- Strategy – School to Work: The district will provide additional school-to-work and vocational opportunities for students not planning to attend post-secondary institutions.
 1. Action Step: Continue to seek and support transitional programs for students at the high level.
 2. Action Step: Continue to seek and support career exploration programs for students who participate in vocational training programs on the Ste. Genevieve R-II campus.
 3. Action Step: Continue to seek and support career exploration programs for students who are attending the Perryville Area Career and Technology Center.
- Objective: Professional Development
- Strategy – Content Specific Professional Development: Faculty will participate in professional

development targeting improved skills and differentiated instruction.

1. Action Step: Faculty – Attend and collaborate on the development of content specific training.

2. Action Step: Faculty – Analyze NWEA data and use this information to seek professional development opportunities that will enhance instruction.

3. Action Step: Faculty – Analyze state and common assessment data and use this information to seek professional development opportunities that will enhance instruction.

4. Action Step: Faculty – Create and administer Student Learning Objectives. Use data to improve instruction and student learning of essential concepts.

- Strategy – School Reform Initiatives: Grades 9-12 will continue to implement school reform processes to continue improvement in annual performance.

1. Action Step: Team Leaders – Continue to receive on-going training and serve on leadership committees.

2. Action Step: Continue to support grade level team collaboration, and core and non-core collaboration.

- Strategy – Collaboration Opportunities: Faculty will use planned collaboration opportunities for development; focusing on sharing information from conferences, instructional strategies, best practices, action research, and book studies; analyzing MAP GLA/EOC data; developing/analyzing Student Learning Objectives, and common assessments; discussions regarding individual student learning; and to analyze/develop curriculum and curriculum mapping.

1. Action Step: Engage in professional development related to research based instructional strategies.

2. Action Step: Engage in the analysis of MAP GLA/EOC, Student Learning Objectives, and common assessment data and use this information to help guide instruction.

3. Action Step: Administer a common assessment, Student Learning Objectives, and participate in the data analysis of the results to help guide instruction.

- Objective: Character & Behavior

- Strategy – Student Transition: The high school counseling department will create a transition plan for middle school to high school students.

1. Action Step: Continue to discuss transition issues and develop potential action plans to address those issues.

2. Action Step: Set up student shadow experiences for students interested in attending the Ste. Genevieve R-II School District. Shadow experiences will be facilitated by counselor contact or requests from parents/guardians during time frames that building leaders (principals, counselors, and teachers) deem appropriate.

3. Action Step: New student to SGHS – Provide technology training for new students who are

transitioning to SGHS through peer mentoring through our School Development Seminar.

4. Action Step: SGHS Counselor and Principals – In the fall, hold an evening parent orientation meeting for all 9th grade students and their parents to get to know SGHS.

5. Action Step: SGHS Mentor Students and 9th Grade Counselor – Continually train mentor students. Mentor students are 12th grade students who will meet with and mentor weekly 9th grade students during advisory throughout the school year. They will also lead their advisory during Mentor Games throughout the second semester. Mentor students assist the counselors with new student mixers and transitioning new students.

6. Action Step: 9th Grade Counselor – Hold an orientation program before school begins to help new 9th grade students acquaint themselves with the building, expectations, and procedures at SGHS.

7. Action Step: SGHS Mentor Students – Hold a New Student Mixer activity at the beginning of each school year.

- Objective: Career Exploration and Preparation
- Strategy – Career Awareness: The district will organize activities and events at all buildings to promote career awareness and planning with students and parents.
 1. Action Step: SGHS Counselors – Conduct a college and career planning night for parents and students at the high school.
 2. Action Step: SGHS Counselors – Provide ongoing information to parents to plan funding mechanisms for post-secondary education.
 3. Action Step: SGHS Counselors – Conduct a financial aid presentation for parents and students at high school.
 4. Action Step: SGHS Counselors and Faculty – Offer an ACT prep class at the high school and ACT review sessions during DragonFIRE for all students in grade 11.
- Strategy – Missouri Connections & ICAP (Individual Career and Academic Plan): Implement Missouri Connections and ICAP with students to help them determine occupational interest and aptitudes.
 1. Action Step: SGHS Counselors – Assist students in the development of personal plans of study in 8th grade and provide opportunities to update annually.
 2. Action Step: SGHS Counselors – Provide parents access to and support using the Missouri Connections and ICAP information for their child.
- Strategy – Job Shadowing/Apprenticeships: Maintain a database that will serve as a clearinghouse for potential job shadowing sites, mentors, and apprenticeships.
 1. Action Step: SGHS Principals – Annually meet with Ste. Genevieve Area Chamber of Commerce and Perryville Area Career and Technology Center to promote and update potential job shadowing/apprenticeship programs.
 2. Action Step: SGHS Counselors and A+ Coordinator – Facilitate job

shadowing/apprenticeship opportunities to all grade level appropriate students each spring.

3. Action Step: SGHS Administration and Counselors: Utilize DragonFLEX to partner with local industries in order to provide opportunities for students in 11th and 12th grade.

4. Action Step: SGHS will continue to promote students participating in AG SAE, CDA, and SBE programs to provide internship opportunities during the school day.

- Objective: Student Programs and Extracurricular Activities

Goal 4: DRAGON FLIGHT PLAN

- Description: Develop strategies to continue to enhance and to grow our Dragon Family traditions and excellence.
- Objective: Long-Term Facility Planning
- Strategy – Review of Facilities: The district will continually monitor and review district facilities to ensure they are maintained, updated according to the Americans with Disabilities Act (ADA), and comply with safety requirements.
 1. Action Step: Principals – Conduct an annual safety review of the building and communicate appropriate facility safety and maintenance with faculty.
 2. Action Step: Update chemical Material Safety Data Sheets yearly in binders in principal's office, maintenance director's office, nurses' office, custodian closets and offices.
- Objective: Fiscal Responsibility
- Objective: CSIP Review
- Strategy – Building School Improvement Plans (BSIP): Each building team will work collaboratively to develop a plan or goals (as needed) to address areas of weakness and to encourage students to perform up to their maximum potential.
 1. Action Step: Principals – Review MAP GLA/EOC, NWEA, and Student Learning Objective data for growth with faculty to identify weaknesses and areas needing improvement. This information will be used to create Building School Improvement Plans (BSIP).
 2. Action Step: Align BSIP to CSIP and continually review/discuss with the faculty throughout the school year to ensure identified areas are being addressed and encourage students to perform to their maximum potential.
- Strategy – CSIP: The district will involve students, parents, staff, and community members in the Comprehensive School Improvement Plan (CSIP) which includes the Technology Planning Committee and will use technology to facilitate interactive communications among district staff, parents, and community members.
 1. Action Step: Inform parents by newsletter, e-mail, and/or handbook of opportunities to serve on district committees.
 2. Action Step: Encourage parents to contact faculty by e-mail or using voicemail on classroom telephones.
